

## **Report from SGA President October 2023**

The SGA held its first All Student meeting on September 19th, joined by Nathan Gonyea and Seana Logsdon. We are excited that students showed up, spoke up, asked questions, and fostered important dialogue to support our direction for the 2023-2024 academic year.

The SGA Vice President resigned before our first open meeting and our line of succession directed our next steps. SGA leadership now consists of:

President: Em Wasserman  
Vice President: Jimmy Segretto  
Treasurer: Marina Yaseen  
Secretary: Janessa Nicholson  
Senate Chair: Shannon Mulstay  
Senate vice chair: vacant  
Senate clerk: Taylin Forgue

The SGA is holding an election for the vice chair position during our all-student meeting on October 17, 2023. Additionally, several students have expressed interest in SGA Senate vacancies, and a special election will follow.

Recently, we elected SEEN (student success, engagement, events, and needs) committee chairs, who will be convening our constituents and identifying areas of focus for advocacy efforts.
